HABITAT HOUSE DEDICATION

Greater Lycoming Habitat for Humanity (GLHFH) announces their Faith & Family Footprint Walk beginning at the last dedicated home at 2107 W. Third Street in Newberry and ending at their current build/rehab site at 833 Park Avenue in Williamsport. Habitat staff, volunteers, board members, and the general public will walk from GLHFH's 45th build site to its current rehab project on Park Avenue. The Faith & Family Footprint Walk has become a tradition with Greater Lycoming Habitat. A tour of the Park Avenue home will take place at 2:00p.m. which will highlight progress on the current build.

WHAT: Faith & Family Footprint Walk
WHEN: Wednesday, February 9, 2011 at 1:00p.m.
WHERE: Will meet at 2107 W. Third in Newberry & walk to 833 Park Ave.

About Greater Lycoming Habitat for Humanity (GLHFH)

GLHFH works to reduce poverty housing in Lycoming County by building workforce housing (decent, affordable homes) for working low-income families using donated resources in a manner which increases family stability, self-sufficiency, empowerment, devotion to work ethic through the sweat equity requirement and raises the level of civic pride within the affected neighborhoods. Habitat families work with volunteers not only to build houses, but to build strong relationships as well.

GLHFH is based in Williamsport, but serves the greater Lycoming county area. GLHFH has dedicated and completed a total of 45 in the greater Lycoming area.
