

SPONSOR-A-DAY

Corporate Team Build Program

Build homes. Build hope. Build your team.

When you sponsor a team build, you give your employees the chance to build team morale while making a tangible difference in our community. Your team helps hardworking families achieve safe, affordable housing in a state where homeownership is out of reach for many.

It's more than a day of service, it's an investment in your team and community.

Sponsorship fundamentals

- 🔨 Each Sponsor-A-Day team build is customized to align with your company's goals and objectives
- 🔨 An opportunity to engage employees, strengthen teamwork and demonstrate your company's commitment to meaningful and powerful community impact
- 🔨 No construction skills are needed! All tools, safety equipment and training are provided

Sponsorship opportunities

Whether you're a small business or a large corporation, there's a giving level that fits your goals. Sponsorships range from \$500 to \$10,000, with opportunities to:

- 🔨 Fund critical construction materials and supplies
- 🔨 Sponsor a day of volunteer engagement
- 🔨 Support a new home build from foundation to finish

Each sponsorship level includes recognition on social media and a printed team photo. Higher-level sponsors may also receive exclusive signage at the build site, a press release, and recognition in our quarterly email newsletter and on our website.
